**Submission of Sequence Listing**

The February 2, 2007 Notice to Comply with Requirements for Patent Applications Containing Nucleotide Sequence And/Or Amino Acid Sequence Disclosures alleged that the subject application fails to comply with the requirements of 37 C.F.R. §1.821-1.825, which require nucleic acid sequences described within the claims and/or description to have SEQ ID NO. identifiers. Pursuant to §1.821-1.825, the February 2, 2007 Notice also required applicants to submit a paper copy of a Sequence Listing, a computer readable form of the Sequence Listing and a Statement indicating that the content of the computer readable form of the Sequence Listing is identical to the content of the paper copy of the Sequence Listing, and that the Sequence Listing contains no new matter.

In response, applicants have herein amended the subject application to insert sequence identifiers where necessary. In addition, applicants submit a paper copy of the Sequence Listing attached hereto as **Exhibit A**.

Applicants also enclose herewith a computer diskette containing a computer readable form of the Sequence Listing and attach hereto as **Exhibit B** a Statement In Accordance With 37 C.F.R. §1.821(f) and (g) indicating that the enclosed computer readable form of the Sequence Listing is identical in content to the paper copy of the Sequence Listing and contains no new matter.

If a telephone interview would be of assistance in advancing prosecution of the subject application, applicants' undersigned attorneys invite the Examiner to telephone them at the number provided below.

No fee is deemed necessary in connection with this Amendment. In the event that any additional fee is required, authorization is
